Dear Faculty and Staff:

On behalf of the Colonial Heights School Board, we would like to thank you for your contribution toward your school's accomplishment of attaining "Fully Accredited" status for 2014-15 school year. This is the thirteenth consecutive year that all five Colonial Heights Public Schools have been fully accredited. In light of the public release of the Statewide Accreditation results and the significant increase in the schools not meeting the accreditation standards, it makes our accomplishment that much more impressive.

Of the one hundred thirty-two divisions, only twenty-two had all schools accredited. This places Colonial Heights Public Schools in an elite group. This success can be attributed directly to the efforts of the teachers in the classrooms, the diligence of the students, and the school administrations providing quality leadership and support of their staff members and students.

As we move forward in 2014-15, we must continue to strive for excellence. It is so important for us to remember that our students deserve our best. We are so appreciative of your dedication to the students that you serve.

Sincerely,

Dr. Joseph O. Cox, Jr.
