## HEALTH AND PHYSICAL EDUCATION

With the cold weather coming, it seems like there is not enough sun light to do some outdoor exercising. Well, there is a simple answer for that - you can do some exercise indoors like stretching, walking up and down stairs, etc. If you like being outside, make sure you are exercising safely in daylight hours and with another person. Remember to get plenty of rest and to eat healthy. We would like to wish our students and their families a very safe winter break.

*The Drawing Club will meet on Wednesday, Dec. 5 and Wednesday, Dec 19 in Mr. Ridpath's room from 2:40 to 3:25. No supplies necessary just come and draw!*

### **SCA News**

The Holiday Food Drive has ended! Many items were collected from homeroom classes and delivered to the Colonial Heights Food Pantry. Thank you so much to everyone who donated items. The Food Drive has been a great success!!
