### SCA News

It is an exciting time in the SCA! The 8th graders have voted for the theme for the 8th Grade Dance, and it is "Around the World." After Spring Break, we will begin staying after school to create decorations and scenes for the dance. The dance is Friday, June 7, so mark your calendars now. In addition, if you would like to donate items for the door prizes given at the dance, we would greatly appreciate it. Suggestions for door prizes are gift cards (Starbucks, iTunes, Swaders, Sweet Frog, McDonald's, Southpark Mall, movie theater), candy, water bottles, key fobs, etc. Please drop your donations in the main office of the middle school by June 1.

The SCA is sponsoring our school's annual Pennies for Patients Campaign beginning April 8 and running through April 29. Please donate your change to help the Leukemia and Lymphoma Society. This year there will be an opportunity to donate online. Look for the calendar and flyer coming home in April. The SCA will announce the three top donating classes from each grade level the week we tally the totals!

**HEALTH AND PHYSICAL  
EDUCATION**

We would like to wish everyone a Happy Spring. Now that the warmer weather is approaching hopefully, we can get outside in the fresh air. It is a great time to take a stroll early morning or after dinner. We would like to remind everyone that FUN DAY will be April 11. It is going to be a great day for the students! We will have inflatables, games and treats for everyone. If you would like to help, please contact our PTO president.

**Great Math Practice!**

Please encourage your students to log into IXL over Spring Break! Students can stay sharp by practicing skills in math, language arts, and science. Have your student show you his or her diagnostic screen at the beginning of the week and notice the improvement at the end of the week if they practice 10-20 minutes each day!
