## January 2019

### 3 tips for keeping your middle schooler reading in 2019:

1. **Let your child choose what to read.** While you may cringe at his preferences, he may never touch a title if it's force-fed.
2. **Talk about what she reads.** Ask her what she thinks of a book and make connections with ideas or issues that are relevant to her life.
3. **If he's struggling or bored with a book, let him put it down.** Forcing him to stick with a difficult or dull book that's intended for pleasure will reinforce the idea that reading is a chore.
